

Keeneland

The Keeneland is a spacious 2,303 sq. Foot ranch with 3 bedrooms, 2½ baths, a 3-car garage, and full basement.

Two large porches extend the living space. The great room has a gas fireplace and an eating area that connects to the back porch. The mud room and laundry room connect to the 3-car garage.

This floor plan creates a private area for the master suite complete with it's own outside entrance. Enjoy the 5-piece bath and generous walk-in closet. Besides the full basement, the Keeneland has an oversized garage for workshop or hobby space and a separate storage room.
